2025 Individual & Family Plans

Here are some of the ways we help make healthcare more affordable:

- All in-network cost-sharing (copays, deductibles and coinsurance) goes toward the out-of-pocket maximum.
- In-network preventive services are covered 100%.
- Plans that offer members exclusive access to Spira Care have \$0 copays for visits. This includes any related lab or X-ray services.
- We can help you find out if you qualify for financial assistance to help cover the costs of your health plan and healthcare (see page 7).
- Virtual Care options let you consult with a doctor safely and comfortably from home.

Levels of Coverage

To make it easy for you to shop and compare coverage, Individual & Family Plans—offered in or outside of the Marketplace—provide benefits at a designated level. These are known as “metal levels.”

Metal levels are Platinum, Gold, Silver and Bronze. Generally, premiums are highest for Platinum and Gold plans and you pay less in deductibles, coinsurance and copays. Premiums are generally lowest with Bronze plans and you pay more in deductibles, coinsurance and copays.

Blue KC offers Gold, Silver and Bronze plans so you can choose a plan that best meets your needs. For example, a Gold plan may be right for someone who uses more healthcare services. If you use services less frequently, you may save money with a Bronze plan. Silver plans offer a balance of premiums and cost-sharing.

Gold plans
pay 80% of covered costs on average

Silver plans
pay 70% of covered costs on average

Bronze plans
pay 60% of covered costs on average

WELCOME TO SPIRA CARE

Primary Care for the whole family.

If you are enrolled in a Blue KC Choice Plan with Spira Care, you will have exclusive access to Spira Care Centers, where you are at the center of your healthcare coverage. Spira Care gives patients of all ages easy access to advanced primary care services—and the time you need with your physician and Care Team. Spira Care Centers are conveniently located across the Kansas City metro area. Eligible members will incur no additional costs* when seeking care at Spira Care Centers.

Spira Care Centers offer a wide range of advanced primary care services under one roof, all at no additional cost*.

Advanced Primary Care, where you are at the center of care, with a team of healthcare professionals focused on giving you the quality of care you deserve.

Routine Preventive Care includes routine wellness exams, screenings and immunizations.

Sick Care for conditions like the flu, sore throat, urinary tract infection, ear pain and pink eye.

Chronic Medical Condition Management for conditions such as diabetes or heart disease.

Behavioral Health Support to provide professional support for stress, depression, anxiety and challenges that accompany chronic medical conditions.

Digital X-Rays, as ordered by your Spira Care provider (not available at Lee's Summit and Liberty locations).

Routine Lab Draws, as ordered by your Spira Care provider.

Immunizations, including a wide range of CDC-recommended immunizations.

Diabetes Education and Health Coaching to support and advocate for you, help you achieve your goals, and optimize your health outcomes.

While your primary care needs can be handled at a Spira Care Center, we recognize that certain circumstances call for outside care—like seeing a specialist, getting specialty behavioral health support, or being admitted to a hospital. For needs outside of a Spira Care Center, call the Customer Service number on your member ID card or refer to your Evidence of Coverage for a full list of benefits and information regarding your cost share.

*No additional cost means you will not be billed for any appointments or services at Spira Care Centers. Blue KC members enrolled in a health plan with Spira Care have exclusive access to Spira Care Centers for primary care services. For costs and further details of the coverage, including exclusions, any reductions or limitations and the terms under which the policy may be continued in force, see your insurance producer or write Blue KC.

All services provided at Spira Care Centers are based on your primary care needs only and must be ordered by a member of the Spira Care Team. This includes digital x-rays, routine labs and immunizations. Orders by a specialist or someone outside of the Care Center cannot be fulfilled at Spira Care Centers.

You May Be Eligible For Financial Assistance

You may be able to get more savings and lower costs on health insurance coverage due to the American Rescue Plan Act (ARP) of 2021. The Inflation Reduction Act of 2022 extended those savings through 2025. More people than ever before qualify for help paying for health coverage, even those who weren't eligible in the past. You must enroll through the Marketplace to receive financial aid, but you can still shop, compare and find the right plan for you at BlueKCforYou.com. If you need help, call us at 833-957-7956.

There are two ways you can receive financial assistance:

Subsidies

Also known as advance premium tax credits (APTC), subsidies work on a sliding scale. They limit the amount you pay in monthly premiums to a percentage of your annual income.

ACA Marketplace premium subsidies are substantially enhanced for people at every income level and, for the first time, are offered to those with income above four times the Federal Poverty Level (FPL). To receive financial aid, you must purchase an ACA Qualified Health Plan. You can research and shop for Blue KC coverage that best meets your budget and health needs at BlueKCforYou.com.

Cost-Sharing Reductions

You'll also find out if your income qualifies for extra savings known as "cost-sharing reductions." If it does, you can save money a second way: by paying less out of pocket each time you get medical services.

Cost-Sharing Reductions

When you apply for Blue KC coverage through the Marketplace, you may be eligible to receive an additional level of savings called Cost-Sharing Reductions (CSR). CSRs are a discount that lowers the amount you have to pay for deductibles, copayments and coinsurance. CSRs are often called “extra savings” and are only available on Silver plans. Here’s a breakdown of what your reduced costs could be with CSRs:

Federal Poverty Level		
100% – 150%	151% – 200%	201% – 250%
Most financial assistance and cost-sharing	Medium financial assistance and cost-sharing	Least financial assistance and cost-sharing

- Single/Family Deductible
- Coinsurance
- Single/Family Out-of-Pocket Maximum
- Virtual Care
- PCP Visits
- Urgent Care
- Specialist Visits
