Kansas City

Offsite Lab Screening

Use this form to find the lab closest to you.

STEP 4:
Find a participating LabCorp near you

City Address Find Labs by Location

2000 Starcrest
San Antonio
Texas
78260

Distance	Name	Address	Hours	
3.7 miles	LABCORP	Sample Address	Sample Hours	<input type="button" value="Select"/>
4.9 miles	LABCORP	Sample Address	Sample Hours	<input type="button" value="Select"/>

STEP 5:
Select preferred LabCorp location

1. Enter your address or use the “Find Using Current Location” option.
2. A listing of participating LabCorp locations will populate the website.
3. Click “Select” on the LabCorp location you want to visit.

Health Screening Consent

Your employer has contracted with Premise Health Employer Solutions, LLC, on behalf of its affiliate eHealthScreenings (“Premise Health”) to provide certain health and/or wellness services in connection with health screen program.

STEP 6:
Complete Consent

Participating in the biometric screening you consent to the collection of a blood specimen and/or bodily fluids. You understand and acknowledge that the collection of blood through a needle may cause pain, a bruise or, rarely, an infection. You also consent to the collection of additional biometrics (height, weight, blood pressure, waist circumference, and perhaps other measurements, as listed scroll through consent)

Signature (First and Last Name):

Today's Date:

STEP 7:
Attend your screening

- A confirmation page will appear with the name of your selected location.
- **It is recommended to call your chosen LabCorp to make an appointment.**
- **Only attend the LabCorp location that you chose in the selection process.**
- You will be emailed your LabCorp Requisition form. You may print this form or, your chosen LabCorp location will have the form available for you.
- A Photo ID is required at all LabCorp locations.

Having Trouble? Call 888-708-8807 and select Option 1.
