

Kansas City

2020 Medication Pricing Estimates

Medication prices, individual retail pricing and individual copayments may vary. Pharmacist's judgment, your doctor's instructions on how to take the medication, and applicable law may impact the actual dispensed quantity and/or days' supply you may receive. Medication costs outside of your prescription program, and sales tax, where applicable, are not included.

Below cost is based on a month supply.

The coverage and pricing terms of the prescription benefit are subject to change.

Drug Name	Avg Cost/Rx	Drug Name	Avg Cost/Rx
