INSURANCE RATES FOR MISSOURI RESIDENTS

# WHAT IS MEDICARE?

Medicare is a federally backed health insurance program for people 65 or older, and younger people with certain disabilities or diseases. Medicare Supplement plans can help pay some of the healthcare costs that Original Medicare (Parts A and B) does not cover, such as copayments, coinsurance, and deductibles. These plans are currently sold in 10 standard plans plus two high-deductible plans, each with their own set of unique benefits. Of these 10, Blue KC currently offers six that best suit the needs of the members we serve, as well as a dental plan.

The Medicare Access and CHIP Reauthorization Act of 2015 (MACRA) made a significant change to Medigap. It prohibits Medigap plans from providing first dollar coverage of the Medicare Part B deductible for those “newly eligible” beneficiaries on or after January 1, 2020. Plans C and F have traditionally covered 100 percent of the Part B deductible, which is why those plans will not be options for newly eligible beneficiaries on or after January 1, 2020.

You are “newly eligible” if you turn 65 on or after January 1, 2020 or if you first become eligible for Medicare benefits due to age, disability, or ESRD on or after January 1, 2020.

Ready to find the coverage that’s right for you? Let’s get started.

## BASIC BENEFITS

These four benefits are offered across all Medicare plans, so you’ll receive them no matter which one you choose.

### **Hospitalization**

Part A coinsurance plus coverage for 365 additional days after Medicare benefits end.

### **Medical Expenses**

Part B coinsurance (generally 20 percent of Medicare-approved expenses) or copayments for hospital outpatient services. Plans K, L and N require insureds to pay a portion of Part B coinsurance or copayments

### **Blood**

First three pints of blood each year. Plans K and L may require members to pay a portion of blood costs.

### **Hospice**

Part A hospice care coinsurance or copayment. Plans K and L may require members to pay a portion of Part A hospice care coinsurance or copayments.

1 Plans F and G also have a high deductible option, which require first paying a plan deductible of \$2,370 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare Part B deductible. These high deductible options are not offered by Blue KC.

High deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

2 Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

3 Plan N pays 100% of the Part B coinsurance, except for a copayment of up to \$20 for some office visits and up to a \$50 copayment for emergency room visits that do not result in an inpatient admission.

## Plan A

For basic coverage at the lowest premium, choose Plan A. You'll be responsible for paying your Part A deductible and Part B deductible. The plan will pay the coinsurance thereafter, including hospitalization for 365 days after Medicare coverage ceases. It also pays for 20 percent of Part B coinsurance.

## Plan F

You'll be entitled to all the coverage of Plan C, plus 100 percent of Part B excess charges.

## Plan B

Plan B offers the basic coverage of Plan A, but also pays your Part A deductible.

## Plan G

You'll be entitled to all the coverage of Plan F, except you will be responsible for paying your Part B deductible.

## Plan C

Plan C provides a blend of coverage and affordability. It offers the basic coverage of Plan A, but also pays your Part A deductible and your Part B deductible. It also pays for your coinsurance for skilled nursing coverage and emergency care if you travel abroad.

## Plan N

You'll be entitled to all the coverage of Plan D, except you will be subject to up to a \$20 copayment for office visits and up to a \$50 copayment for emergency services.

# MEDICARE SUPPLEMENT BENEFITS FOR MISSOURI RESIDENTS

## DISCLOSURES

This outline shows benefits and premiums of policies sold for effective dates on or after January 1, 2021. Policies sold for effective dates prior to January 1, 2021 may have different benefits and/or premiums. Plans E, H I and J are no longer available for sale.

## READ YOUR POLICY VERY CAREFULLY

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

## RIGHT TO RETURN POLICY

If you find that you are not satisfied with your policy, you may return it to Blue KC, P.O. Box 419071, Kansas City, Missouri 64141-6071. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments.

## POLICY REPLACEMENT

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

## RENEWAL CONDITIONS

You may renew this policy as long as you live by paying the premium on time. We cannot cancel or refuse to renew your policy, or place any restrictions on it, other than for non-payment or for fraudulent misstatements made by you in your application for the policy. The ability to move from one product to another may be restricted.

## CANCELLATION BY INSURED (FOR INDIVIDUAL POLICIES ONLY)

You may cancel this policy at any time by written notice delivered or mailed to the insurer, effective upon receipt of such notice or on such late date as may be specified in such notice. In the event of cancellation or

death of the insured, the insurer will promptly return the unearned portion of any premium paid. The earned premium shall be computed by the use of the short-rate table as filed with the state official having supervision of the insurance in the state where the insured resided when the policy was issued pro-rata. Cancellation shall be without prejudice to any claim originating prior to the effective date of cancellation.

## RIGHT TO CHANGE PREMIUM

Your benefits are designed to cover cost-sharing amounts under Medicare. These benefits will be changed automatically to coincide with any changes in the applicable Medicare deductible and coinsurance amounts. In addition, premiums may be modified to correspond with such changes at any time by providing you with at least 30 days notice. The notice may be provided via contract rider or some other appropriate means and will be mailed to you at the address which appears on our records. If you continue payment of premium after notice has been provided, it is agreed that such change is acceptable to you.

## NOTICE

This policy may not fully cover all of your medical costs.

## BLUE KC IS NOT CONNECTED WITH MEDICARE

This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security Office at 1-800-772-1213 or consult **The Medicare Handbook**, available online at <https://www.medicare.gov/pubs/pdf/10050-Medicare-and-You.pdf>, for more details.

## COMPLETE ANSWERS ARE VERY IMPORTANT

When you fill out the application for the new policy, be sure to answer truthfully and complete all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information. Review the application carefully before you sign it. Be certain that all information has been properly recorded.

Medicare Select is a Medicare supplement policy that requires you to use hospitals within its network to be eligible for the hospital benefits available under your contract. This restriction is required only for inpatient hospital stays.

While there are no network restrictions on physicians (i.e., you are able to see your doctor of choice), you may want to check whether your physician has privileges at a Medicare Select participating hospital. This will ensure you are eligible for the available hospital benefits under your contract (in the case of an inpatient hospital admission).
