

# FINDING A DENTAL PROVIDER

## Locating a Dentist is Fast and Easy

Search [BlueKC.com](https://www.bluekc.com) to find a local dental provider in your network.

It only takes a minute to search for a dental provider whether you're looking for a local or an out-of-area dental provider. Visit the Blue Cross and Blue Shield of Kansas City (Blue KC) website, [BlueKC.com](https://www.bluekc.com).

### Local Network dentist

Kansas City Metropolitan Area

- Select Find a Doctor
- Scroll down to the quadrant labeled Find a Dentist
- Click on Search for Dentists Nationwide
- Enter your zip code
- Additional information can be entered, but is not required
- Click Search

### Out-Of-Area Network dentist

Outside of the Kansas City Metropolitan Area

The GRID/GRID+ network is for members who live, work or travel outside the Blue KC service area. These providers are Blue Cross and Blue Shield contracted dentists.

- Select Find a Doctor
- Scroll down to the quadrant labeled Find a Dentist
- Click on the Search for Dentists Nationwide
- Enter your zip code
- Additional information can be entered, but is not required
- Click Search
