

Spira Care (HSA Eligible)

Integrated primary care with an affordable charge per office visit

We recognized that for many people, a Health Savings Account (HSA) offering is very important. That led us to create Spira Care (HSA Eligible), a novel, simple, predictable option that provides affordable, convenient Care Center visits paired with a Health Savings Account.

Spira Care (HSA Eligible) A member will incur an affordable charge for an office visit at Spira Care. Once a member has met their deductible any future healthcare needs at a Spira Care Center are at no additional cost.

FAST FACTS

- An HSA allows members to use tax-free HSA dollars to pay for qualified medical expenses
- Members can have part of their pre-tax earnings deposited into an HSA
- All preventive services are 100% covered
- The affordable charge for a doctor's visit covers any follow-up services from that visit like labs and X-rays**
- Employee contributions allow you to save up for future medical expenses
- Unused HSA funds roll over each year and follow you for life
- Access to a team of Care Guides
- Convenient Care Center locations around the KC metro

Simplified Experience

If you tend to not need a lot of healthcare beyond routine check-ups, Spira Care (HSA Eligible) could be a great option since you can save for any future healthcare expenses. If you're nearing retirement, an HSA could be beneficial because it allows you to use your money to offset the costs of medical care or healthcare once you retire.
