IMPORTANT INFORMATION ABOUT YOUR PLAN

Newborns' and Mothers' Health Protection Act Notice

Under the terms of the Newborn and Mother's Health Act of 1996, the Plan generally may not restrict Covered Services for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than forty-eight (48) hours following vaginal delivery (not including the day of delivery), or less than ninety-six (96) hours following a cesarean section (not including the day of surgery). Nothing in this paragraph prohibits the mother's or newborn's attending Provider, after consulting with the mother, from discharging the mother or her newborn earlier than the specified time frames or from requesting additional time for hospitalization. In any case, the Plan may not require that a Provider obtain authorization from the Plan for prescribing a length of stay not in excess of forty-eight (48) or ninety-six (96) hours, as applicable. However, preauthorization is required to use certain Providers or facilities, or to reduce out-of-pocket costs.
